

2008 Water Quality Technology Conference and Exposition (WQTC)

November 16–20, 2008
Cincinnati, Ohio

Registration will be available July, 2008!

The AWWA Water Quality Technology Conference[®] and Exposition (WQTC) keeps thousands of water quality professionals from across the globe up-to-date with the latest research, regulations, and technological advances for keeping drinking water safe. At WQTC, you will gain knowledge from experts in the field through a comprehensive schedule of high-quality workshops; oral, poster, and technical sessions; and technical facility tours. Exchange information with your peers through numerous networking opportunities, experience the latest technology, and meet face-to-face with water quality treatment associated manufacturers, suppliers, and consultants.

Who Should Attend

- Water quality specialists
- Water utility management and executives
- Treatment plant managers
- Scientists
- Engineers
- Laboratory personnel
- Distributors
- Manufacturers
- Consultants
- Product representatives

Interested in attending? Full announcement information will be available here in August 2008.
