

# 2009 Water Quality Technology Conference and Exposition (WQTC)

**Sheraton at Washington State Convention Center  
Seattle, Wash.**

[Call for Papers now open!](#)

The AWWA Water Quality Technology Conference<sup>®</sup> and Exposition (WQTC) keeps thousands of water quality professionals from across the globe up-to-date with the latest research, regulations, and technological advances for keeping drinking water safe. At WQTC, you will gain knowledge from experts in the field through a comprehensive schedule of high-quality workshops; oral, poster, and technical sessions; and technical facility tours. Exchange information with your peers through numerous networking opportunities, experience the latest technology, and meet face-to-face with water quality treatment associated manufacturers, suppliers, and consultants.

## ***Who Should Attend***

- Water quality specialists
- Water utility management and executives
- Treatment plant managers
- Scientists
- Engineers
- Laboratory personnel
- Distributors
- Manufacturers
- Consultants
- Product representatives

Interested in exhibiting? Check back here for more information in May 2009.
