Water Contamination Emergencies Conference: Managing the Threats

19th-21st November 2012

IWW Water Centre,
Muelheim an der Ruhr,
Germany

Principal sponsors

www.WCEC5.eu

Introduction and Programme

Introduction

The fifth conference follows on from four successful international Water Contamination Emergencies conferences: Can we cope? (2003), Enhancing our response (2005), Collective responsibility (2008), Monitoring, understanding, acting (2010).

Programme

Monday, 19th November

- 11:30-13:00 Registration
- 13:00-17:25 Technical programme
- 17:25-18:30 Poster session, exhibition, and drinks reception

Tuesday, 20th November

- 09:00-15:15 Technical programme
- 15:15-16:15 Poster presentations, poster session, and exhibition
- 16:15-17:45 Technical programme
- 19:00 Conference dinner

Wednesday, 21st November

- 09:00-13:00 Technical programme
- 13:30-15:00 Tour of RWV Water Treatment Plant "Styrum West" (optional)
- 14:00-16:30 SecurEau Security Workshop (only security-cleared attendees will be admitted - see www.WCEC5.eu for details)

Invited Speakers

The conference will feature keynote lectures from the speakers below:

- Wolf Merkel IWW Water Centre (DE)
- Cyrille Lemoine Veolia Environnement Recherche et Innovation (FR)
- Tristan Simonart European Commission DG ENTR (EU)
- Akira Miyazaki National Institute of Advanced Industrial Science and Technology (JP)
- Alain Tiret Veolia Water (FR)
- Steve Hrudey University of Alberta (CA)
- Walter Biederbick Robert Koch Institute (DE)
- Virginia Murray Health Protection Agency (UK)
- Michèle Prévost École Polytechnique de Montréal (CA)
- Talis Juhna Technical University Riga (LV)

Call for Papers

Papers are invited for both speaker presentations (15 + 5 minutes) and posters. They should relate to drinking water and drinking water systems with respect to the topics outlined below, with particular emphasis on effectively and efficiently managing the threats, sharing learning experiences and best practice both now and in the future.

To submit an abstract, please download a template from the conference website and submit to the Secretariat. Due dates are:

19th May 2012	oral presentations
19th September 2012	posters
13th January 2013	full papers (mandatory)

Programme Topics

Specific topics that will be addressed, and for which papers are invited are:

- Risk analysis, assessment, perception and communication
- Risk perception and communication (and the role of social media)
- Crisis management – examples and case studies
- (Micro)biological, chemical and radioactivity contamination events – examples and case studies
- Chemical contamination events – examples and case studies
- Radioactivity and associated contamination risks
- Remediation technologies for drinking water supply systems, including biofilms and deposits
- Training methodologies for risk management
- Models and scenarios for contamination of distribution networks
- Cyber security
- Use of leading edge Technologies for water safety management
- Sensors - integrated sensor networks, generic versus specific sensors
- Generic versus specific sensors

The organising committee reserves the right to change this programme without notice.

Other Information

Who should attend?

The conference is aimed at public health professionals, water companies, regulators, risk and business continuity managers, emergency planners, service and support providers, detection equipment suppliers, disaster recovery specialists, water security experts, and water distribution modellers.

Exhibition and Sponsorship Opportunities

This is a high visibility opportunity to bring your product or service to the attention of the complete spectrum of policy-makers, opinion-formers, and buyers in a growing market. Limited exhibition space is available, so early booking is recommended. Exhibitors may opt to participate in the Exhibition Quiz and to deliver a two-minute presentation to the conference audience. Sponsors may choose an item from a list of options offered.

Conference Dinner

The conference dinner will be held at the Municipal Hall in Muelheim in der Ruhr on Tuesday, 20th November, and attendance at the dinner is included in the registration fees. The Muelheim Water Award will be presented at the dinner.

Venue and Travel

Muelheim an der Ruhr is easily accessible by air, rail and car. The nearest airport is Dusseldorf (170 worldwide destinations), just 30 minutes from Muelheim by train. Full travel information may be found on the website.

Accommodation

Bedrooms have been held at a number of local hotels for delegates to book direct. See our website for options available.

Proceedings

The proceedings will be published by the RSC who have published books from the four previous successful conferences. The pre-conference charge for proceeding is €60. In addition, a set of four proceedings for the previous four conferences is available at the discounted price of €340.

Organising Committee

Joep Appels, Jean-Claude Block (SecurEau), Ulrich Borchers (Co-chair of Organising Committee), Maggi Churchouse (Secretariat), John Farmer (Treasurer), John Gray, Bill Keevil (Co-chair of Organising Committee), Wolfgang Podewils, Paul Pollman, K Clive Thompson (Co-chair of Programme Committee), Joep van den Broeke (Co-chair of Programme Committee)

Sponsors

The Organising Committee would like to thank the organisations listed below who have already confirmed their support of this conference. Additional sponsorship opportunities are available.
